

Family Support and Homeless Assistance  
Lincoln High School

Walla Walla Public Schools wants you to know that if your family is dealing with issues of homelessness and are in transition, your school-aged children may qualify for certain rights and protections under the federal McKinney-Vento Act. If your family is living in a car, shelter, motel, out on the streets or doubled up with other people due to loss of housing or economic hardship we are here to help. Students who qualify may receive services like school meals, school supplies, ability to stay in their school of origin, immediate enrollment even if you are lacking the necessary documents or requirements, transportation to and from school, as well as other services comparable to those provided to other students.

If you believe your children may be eligible, contact either Shelly Phipps Intervention Specialist 509/526-8514 or Karen Neher Intervention Specialist 509/526-8509 at your child's school or call the District Liaison, Pam Clayton, at [509.526.6781](tel:509.526.6781) to find out what services and supports may be available.
